### ABOUT

Frankies Pizza has been serving Sorrento since 1995. We have a loyal client base originating back from the early years. We are family owned and operated and take pride in our food.

We ensure the highest quality standards so you get nothing but great food and consistency everytime you place an order. Most customers start with the pizza orders but once they try out the rest of the menu find them selves to be ordering different things on different days of the week. Where else can you get quality Pizza delivered right to your door.
