ABOUT

What can we say? We love craft beer & cider. And we wanted to be able to enjoy a beer on tap at any special event! So when we found Jewels (yup, that beauty of a truck has a name), we knew we had to build The Tapped Truck: where it all started.

And then, the people told us they wanted more options. More flexibility for different-sized events and budgets. So we built Dixie, the Tapped Trailer, and Chuck, the Tapped Trolley.

And that is how Tapped Events was born.

â€

We are Jody & Rob. We are passionate about slingin' suds and connecting with our guests over our mobile tap bars. We bring an exceptionally rad and memorable experience and a whole bunch of taps to special events.
