## ABOUT

The South Shuswap Scoop is a division of the North Shuswap Kicker Ltd. We have always had a strong desire to serve the community and since we gained such positive feedback and support from the community with the Kicker we really wanted to try to do the same for the South Shuswap. At first we thought we could combine news, events and other information through the Kicker but it soon became apparent that South Shuswap need their very own newsletter. Hence the South Shuswap Scoop was born.

We published our first edition in April 2016. With the help and support of local writers, advertisers and non-profit organizations we were finally able to get the "scoop" out about what was happening in the South Shuswap.
